

Just like being outside,
only **better.**

Scenix® porch windows with retractable screens — a whole new way to enjoy the outdoors.

Enjoy the outdoors longer.

A whole new view.

- **Retractable screens with Screen Away®**

The dual sash panels are uniquely designed to optimize natural airflow and comfort. Screen Away retractable screen technology lets fresh air in and keeps the bugs out. Available with standard fiberglass screen or upgrade to the 4-in-1 screen for better insect protection, enhanced solar protection, superior strength and improved privacy.

- **Counter-balanced, tempered glass panels**

Patented design includes a quad-pulley balance system to ensure smooth operation. Available with standard tempered clear glass or upgrade to tempered Solar Control glass that blocks up to 72%* of harmful UV rays. Available in Solarshield Grey or Bronze tint.

- **Easy to install**

Requires a handful of screws and minimal supplies.

- **Deters moisture**

Functions as an extension of the outdoors — appropriate only for non-heated, non-air conditioned spaces.

* Based on IGDB and LBNL WINDOWS 7.6 optical properties for 5mm AGC Solarshield Pure Bronze, Pure Grey, and clear glass.

Get started today!

Scenix® is ideal for screen porch replacement, enclosing an open porch or for new construction.

Our project plans include suggested layouts to help get you started. Go big with our wide range of custom sizes.

Order Scenix porch windows online at [Menards.com/Scenix](https://www.menards.com/scenix)

MML# 4914440	QTY
36"W x 72"H	1
44 1/2"W x 72"H	5

MML# 4914441	QTY
36"W x 72"H	5
44 1/2"W x 72"H	3

MML# 4914442	QTY
36"W x 72"H	1
44 1/2"W x 72"H	6

MML# 4914443	QTY
36"W x 72"H	5
44 1/2"W x 72"H	4

Plan your project

Scenix® porch windows with retractable screens are available in several standard sizes, plus even more custom sizes that allow you to go big!

Standard sizes (White only) Available in 14 days

- 36"W x 72"H
- 36"W x 84"H
- 44-1/2"W x 72"H
- 44-1/2"W x 84"H
- 56-1/2"W x 72"H
- 56-1/2"W x 84"H
- 68-1/2"W x 72"H
- 68-1/2"W x 84"H

Custom sizes (All Colors) Available in 28 days

Rough opening widths from 24"W to 72"W
Rough opening heights from 30"H to 96"H

Add more light

Specialty shapes and fixed glass panels are designed to fit openings like knee walls, transoms and sidelites or where extra light is desired (screen option not available).

Specialty Shapes Custom (All colors)

Rough opening widths from 12"W to 72"W
Rough opening heights from 12"H to 96"H
20 square feet maximum size.
(square feet = (width x height)/144)

	Width	Height	Circle One	Circle One	
#1			Clear	Standard Fiberglass Screen	
#2					
#3					
#4			Solarshield Grey	4-in-1 Screen	
#5			Solarshield Bronze	No Screen (Fixed Panel)	
#6					

Three steps to order

Plan your project. Whether you are replacing existing screen windows, enclosing an open porch OR building a new structure, Scenix® windows can literally transform your outdoor living space.

Plot your project by drawing out your porch floor plan with the desired size and number of Scenix windows.

1 Prep it

If necessary, build out your porch structure by adding supporting posts and framing up your window openings.

2 Measure it

Width: Start at the surface of the jambs where the window will be mounted. Measure from the top, middle and bottom.

Height: From the high point of the window, measure from the left, center and right side of the rough opening.

Depth: Be sure to allow at least 2-1/2" of opening depth for your Scenix window.

NOTE: Each Scenix porch window must be mounted between a support beam on each side. For example, if your open space is 12 feet wide, you would install at least one post in the middle of the opening. From there, measure the rough openings (spaces) that are created when you added the post.

3 Order it

When placing your order, provide rough opening sizes. Use the smallest width and height and round down to the nearest 1/8". For manufacturing purposes, the actual window size will be 1/2" smaller in width and height than the ordered size.

Visit [Menards.com/Scenix](https://www.menards.com/Scenix) to see our full selection of Porch Windows.

Scenix 3-Season Porch Windows with retractable screens are now built with a cut-out on the left and right jamb for a Window Operating Control Device (W.O.C.D.) or Angel Ventlock, designed to prevent accidental falls by children. Local building codes may require Angel Ventlocks which are tested to meet ASTM F2090 2008/2010. Specify when ordering.
